

Welcome to the “Manx Mini Register”

The website www.manxminiregister.com is for the registration of Classic Minis which reside on the Isle of Man.

The idea is to register as many Minis and their owners for the purpose of enjoying a mutual appreciation of such an iconic car inspired by the late Sir Alec Issigonis in the 1950's. We already have some 64 cars registered after a 50 year celebration meet at the TT Grandstand here on the Isle of Man on the 5th October 2009.

This register is not being run as a Mini club as such, however every now and then we meet and have a run out to a particular venue on the island. We email registered members of such events and we also put them up on the website. Furthermore if anyone is going to one of the many shows in England and would like to go as a group from the Isle of Man, then we can contact registered members and tell them about it for you and post it on the website. Likewise there are some larger events such as The Italian Job run to Italy, some registered members have done this before and for those wishing to take part, but feel they would like to go in convoy with others, this can be the place to make other enthusiasts aware.

Please feel assured that all personal information held on the Register will be completely private and absolutely NO SENSITIVE INFORMATION what-so-ever, i.e. Names, addresses, vehicle details, will be divulged to a third party under any circumstances.

If you prefer to register by letter post, please send details to:

Manx Mini Register,
Fiftythree Woodbourne Lane,
Douglas,
Isle of Man.
IM2 3LJ.

Telephone 07624 499008.

Please give the following information about your Manx registered Classic Mini:-

Make

Model

Year

Colour

Registration number

Also your:-

Name, address and telephone number
